Student: _____ ID# _____

Genre and Working Title of Thesis:

Advisor and Thesis Director: _____

Thesis Committee:

First Reader _____ Second Reader _____

Briefly describe your thesis. This can be as simple as “a collection of short stories,” or “a novel.” You may, however, explain a little more about the nature of the work as you envision it at this early stage in its development. You are not committed to this description, and you should feel free to change the nature of the work as your vision develops.
